# *A Final Chapter*

The year has come to a close and it went too quickly. In a sense, a final chapter of our lives. We, who are about to leave are ending, in a sense, a book of our lives.

A final chapter. An end has come. Not the ending, but a final chapter of our lives. Our chapter of high school is closing. We have had a full four years. Some of those times happy, sad, exasperating, maddening, and a whole lot of fun. When we all leave it is the closing of a volume and we will all start the sequel. No one knows what the sequel will bring, what the characters will be like, or even if the scenes will change. We just know the sequel holds prospects beyond our dreams.

A final chapter. The year is over, but it is not the end. An end. On the contrary, not an end, but a brand new beginning.

A beginning of a book

# The Cafeteria

The cafeteria has a variety of good food. If you don't care for the daily food, you can get hamburgers, french fries, pudding, salads or snacks.

The cafeteria has a works bar too. It has everything from mustard and ketchup to thousand island and french dressings for salads.

To sum it all up, the school cafeteria is a good place to eat, but it also is a good place to have a break from school or to get a few last minute things done on our homework. It's just a great place to get together with friends and talk and relax.

Le Cercle Français s'intéresse aux activités typiquement français. On y cherche comment vivent les Français. Avec la réunion chaque mois à l'école et celles en dehors de la classe, les étudiants de français ont l'occasion de trouver cette façon à vivre. Les activités du cercle comprennent: aller partout pour chanter les Noëls; un repas français au Café Johnell; soirée avec le fromage français, le pain français, et les fruits; une soirée avec le cercle espagnol pour partager quelques coutumes de chaque pays. Bien sûr, on s'amuse bien au Cercle Français.

La meta del club de español de Mississinewa es para extender los conocimientos de cultura de los alumnos para emplearlos en muchas actividades relacionadas al español, que no pueden tomar sitio en la aula. La intención fue realizado este año; los alumnos obtuvieron grandes conocimientos de la cultura española por la relación a la alumna extranjera de México. También, un grupo de alumnos ganó experiencia inapreciable cuando ellos viajaron a México durante las vacaciones de la primavera.

El club celebró la Navidad con las tradicionales canciones y piñatas, comió en un restaurante español en la primavera y reunidos todos los alumnos de la escuela pudieron extender sus percepciones de la lengua española y de la misma gente.

Our school library is a popular place among students. It is available to everyone during study hall, and to Juniors and Seniors during their free periods. It provides a quiet atmosphere for studying and reading, which is an advantage over the study hall.

In the library students have easy access to the most recent issues of magazines and newspapers as well as back issues of magazines. Dictionaries, encyclopedias, and other reference books are also available, along with audio-visual materials. Since moving to the new high school, both the career section and audio-visual departments have been expanded making even more material available.

## *Swim Team Has Great Year*

The Mississinewa summer swim team finished this year with their best record yet with a 12-1 season. They placed second in the Marion Relays. They also had wins over county foe, Marion, Pendleton (Pendleton Heights), and Portland (Jay County); all three of these teams swim year-round. The team's only loss was to a stronger Decatur team.

The team was praised for their spirit and ability to compete. They were told that they had a good future as a high school team.

Practice makes perfect

"Memories" was the theme of this year's Junior Miss Pageant as ten of Mississinewa's prettiest femme fatale competed for the crown of Jr. Miss. The Stage Band and Swing Choir entertained the audience between costume changes and of course, the contestants provided entertainment of their own as a part of their competition. As the pageant progressed through the evening it became quite clear who the winner would be. Miss Marlene Krueger was announced the winner, Connie Lee was first runner-up, Tammy Cornett was second runner-up, Judy Wehr was named Miss Congeniality, and Marilee Pinkleton was the Scholarship winner.

# Homecoming: Two Tickets To Paradise

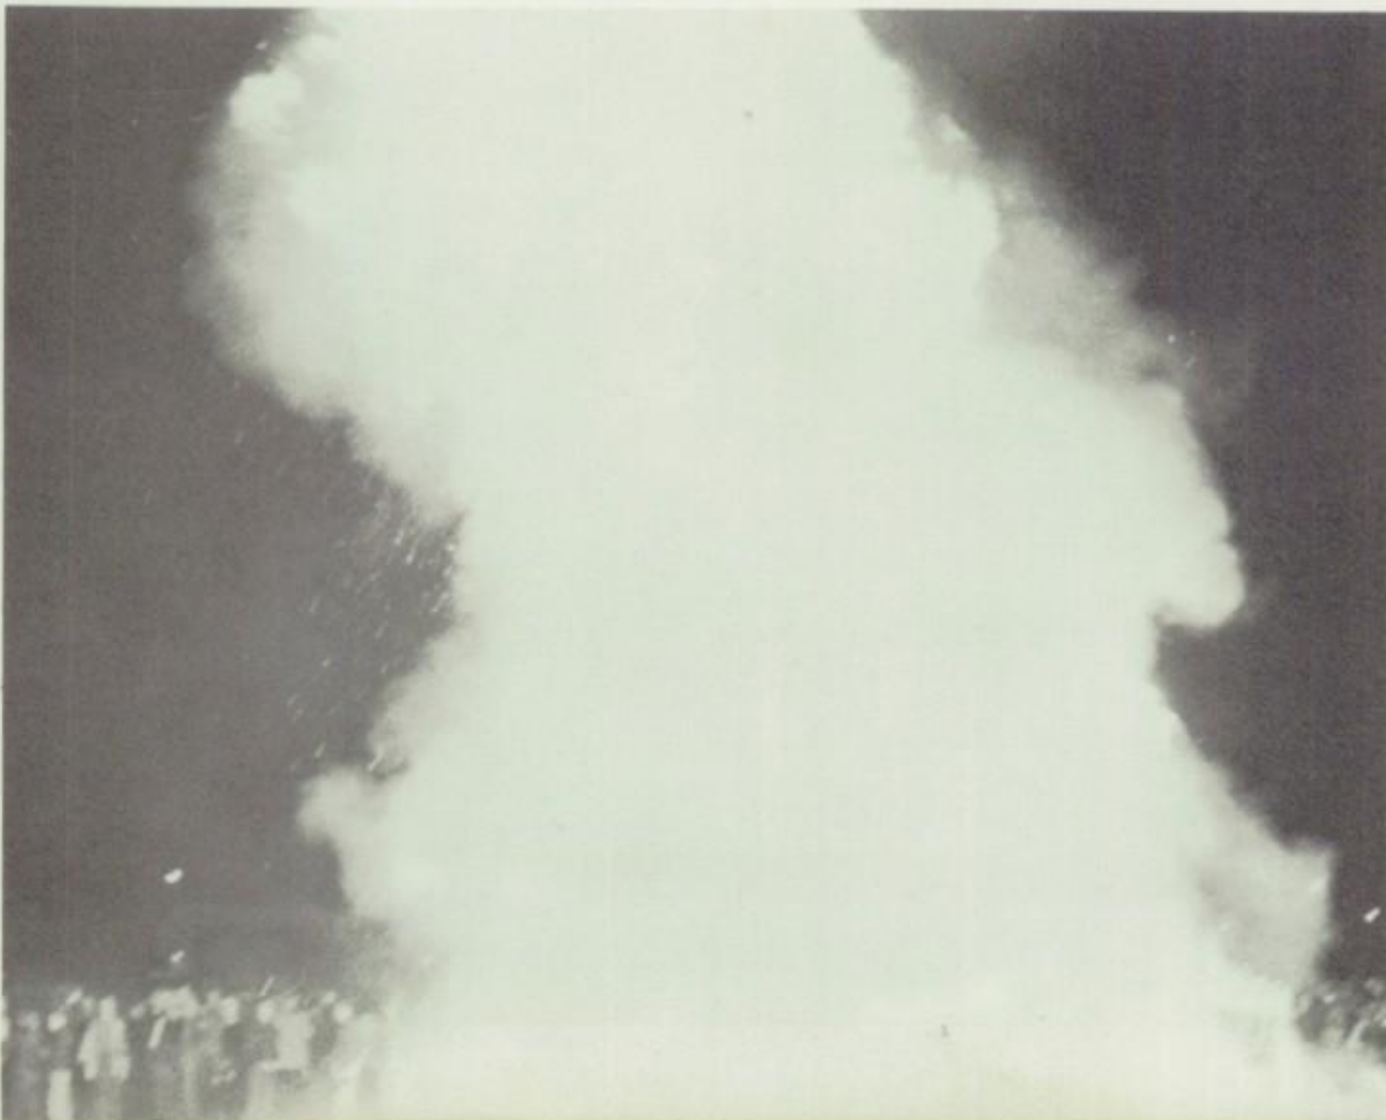

This year's Homecoming started off with a bang with one the biggest parades Mississinewa has seen in a long time. Under the able guidance of Hi-Y, the annual Homecoming parade was a big success despite threats of being cancelled. The fun started with the annual dance sponsored by Tri-Hi-Y. The band that played was LEO. Nancy Dailey was named this year's Homecoming queen with Marlene Krueger and Angie Wood as Senior attendants, Melinda Mills was the Junior attendant, Shelly Presnall was the Sophomore attendant and April Mitchener was the Freshman attendant.

## **Mr. Smalley Leaves MHS**

Mississinewa High School is losing one of the most memorable teachers in its twenty-nine year history. Mr. Joseph Smalley is retiring this year. Mr. Smalley is one of the best loved and respected teachers Mississinewa has ever had. Mr. Smalley has tried to do everything for the school that he could. He coached basketball and built up the track team to a county power. His World history classes taught students to think about the phrase, "history repeats itself" and what would happen to our lifestyles if history did repeat itself. Of course, every student of Mr. Smalley's remembers his "party times" and the famous map tests. Administrators respected Mr. Smalley for the quality education and the sympathetic ear he gave his students. If anyone had a problem, Mr. Smalley would do everything to try to solve it.

He will be sorely missed, but Mississinewa High School wishes him happiness in his retirement. Their one request is that Mr. Smalley never change and to come back and see us. Best wishes and may God bless you, Mr. Joseph Smalley.

## *In Memoriam* *Mrs. Judy Hollowell*

Mrs. Judy Hollowell was killed last summer in an auto accident. She taught English and Reading Skills. She also sponsored the Pom Corps. Even though she taught at Mississinewa High School for only a short time, she left an imprint on her students—an imprint that said "I care". She was well liked and had a definite concern for her students. The POW WOW staff hopes that this small tribute will ease the pain that we all feel. She leaves a husband Ron, who teaches at the Oak Hill Junior High and a daughter, Valerie.

### Education ... our greatest CHALLENGE ...

There is no challenge to our modern society and no opportunity greater than educating our youth.

The old adage that says, "True intelligence is the power to adapt," has never held more meaning.

We have had and will continue to have a knowledge explosion. Four times as much is known today as was known in 1915.

U. S. Department of Labor studies point out that an individual's asset of experience increasingly will carry less weight than

his level of education. Many occupations of the future are not now even in existence.

The only sound educational target for such a future is to plan for those occupations which do not yet exist. Students must be able to learn how to learn and to apply themselves to new conditions as they arise.

This is no vocational assignment alone. Our nation needs intellectual as well as material growth. Our nation needs citizens as much as workers.

### The Value of a Smile

A smile costs nothing, but gives much. It reaches those who receive without making poorer those who give. It takes but a moment, but the memory sometimes lasts a lifetime. A smile creates happiness in the home, fosters goodwill in business, and is the countersign of friendship. It brings rest to the weary, cheer to the discouraged, and is nature's antidote for trouble. Yet, it cannot be bought, begged, or borrowed or stolen, for it is of no value to anyone until it is given away. Some people are too tired to give you a smile. Give them one of yours, as none needs a smile so much as he who has no more to give.

## *The End*

The book comes to a close. All in all the year was pretty uneventful. The basketball team did well, the pep sessions sparked as much spirit as could be expected, Haggerty broke his arm, and three teachers had babies. All this passed without much ado, but we will all remember these things because they are a part of our lives. They ended one book of our lives. Our senior year is a final chapter, but it is also a beginning chapter. Whether you go to college, get a job, or get married; you are all starting a brand new book. A book the POW WOW staff hopes will be filled with hope, happiness, and love. The staff says thanks to the Class of '79 for everything you have done. We also would like to express our deep appreciation to Mr. Dave Hudelson, Mr. Dick Kennard, Prestige Portraits, and Dwight Ott.

To Karen  
Good luck next year
